Notification dated 26th September 1953.

It has come to the notice of the undersigned that some of the candidates who were deputed by this department to several Veterinary Colleges in India for studies as State Stipendiaries have neither reported themselves to this office after successfully completing their studies nor have they submitted their applications for getting their names enlisted in the Office of the Public Service Commission in Mysore, Bangalore, for appointment in this department. It is also learnt that some of the State Stipendiaries have accepted appointments outside the State without the knowledge and permission of this department. This attitude on their part is highly objectionable and contrary to the terms of the agreement bonds executed by them which binds them to serve the department for a period of at least 5 years.

They are therefore hereby informed that they should report themselves to this office forthwith, intimate their correct present addresses and those of their sureties and submit their applications to the Secretary, Public Service Commission, Bangalore, in response to notification calling for applications for the posts of Veterinary Inspectors in this department published by him in the *Mysore Gazette* from time to time. They are further informed that failure on their part to abide by the above instructions will necessitate this office to taken such action as may be necessary for the recovery of amounts spent on their education, besides their losing their chances for being appointed in this department.
